Dear Moo,

Attached is a photocopy of page three of Sprague's notes on viewing the NBC footage in the Library of Congress. As you will note, at the 4:45-5:15 segment, there is a description of what could have been the film Mrs. Tarsikes says she saw.

When I can I will arrenge with Dr. Kuyper to see this film. Thereafter I will be in touch with you again.

I have also notified the locat San Antonio Station, as I beliege I have already told you.

Sincerely,

Harold Weisberg
